echo@daumcommercial.com

Used to test your email functionality. When you send an email to this address, you will receive an automatic reply confirming that your email is working for both transmission and reception. *Note: If you don't receive this reply in about 5-10 minutes, you should contact our Help Desk at 213-270-2219 for assistance.*

Email Exchange Addresses:

"Email Exchange" addresses facilitate distribution of information related to listings, offerings or transactions to DAUM salespersons that handle similar transactions.

Each salesperson has designated which types of transactions they specialize in handling. These types include "Industrial", "Office", "Investments" and "Retail" transactions. These specialties are listed in the company directory next to each salespersons name, telephone # and email address. *Note: If you want to change your designated specialties, please advise your Branch Administrator.* Salespersons that designate specialties receive emails that are sent to the corresponding list addresses and are listed on our website under the selected specialties.

To distribute email to all salespersons with a particular specialty (*for example to salespersons that handle "industrial" transactions*) simply address the email to the appropriate list (*industrial@daumcommercial.com*).

ADDRESS:

PURPOSE:

AIR and ONCOR International Distribution Tools:

If you wish to distribute emails to salespersons at other firms, both ONCOR International and AIR offer tools to their members for doing this. Visit www.airea.com and www.oncorintl.com for these tools. You may also consult your Branch Administrator, Branch Manager or DAUM's Research Department at research@daumcommercial.com for more information on creating a wider email distribution.
